## THE **HotRock™** STORY

*HotRock™* PRODUCTS ARE MADE WITH THE HIGHEST QUALITY, ICE-MELTING CHLORIDES IN THE WORLD AND ARE UNIQUELY COLORED FOR PRECISION APPLICATION CONTROL WHILE SPREADING. EVEN MORE IMPRESSIVELY, THESE CHLORIDES NATURALLY CONTAIN OTHER MINERALS AND ARE PRODUCED AT A VARIETY OF SIZES TO PROVIDE A LONG-LASTING NATURAL MELTING BOOST.

THESE ATTRIBUTES WERE THE INSPIRATION BEHIND THE *HotRock™* BRAND. THIS COMBINATION OF QUALITY INGREDIENTS ALLOWS US TO DEVELOP HIGH-PERFORMING PRODUCTS TO MEET ALL OF YOUR SNOW & ICE REMOVAL NEEDS, NO MATTER THE SCALE.

WHEN YOU MELT, MELT CONFIDENTLY WITH *HotRock™*

## **PRECISIONCONTROL™** PERFECTLY SIZED & **BRIGHT** IN COLOR FOR OPTIMUM SPREADABILITY

*HotRock™ Ice & Snow Melt* is perfectly sized & bright in color for optimum spreadability. The granules are shaped and sized for maximum surface coverage to provide outstanding boring action. The bright color granules help deliver consistent coverage and precise control during application.
